Industry Credentials, Concentration Sequences, and Career Clusters

Computer Science for Innovators and Makers (PLTW)

CS8479 (9 weeks)

Career Clusters, Career Pathways, and Occupations:

- Science, Technology, Engineering, and Mathematics
  - Engineering and Technology
    - Assembler
    - Computer Programmer
    - Electronic Drafter
    - Engineer
    - Engineering Technician
  - Science and Mathematics
    - Secondary School Teacher
